

Happy Days Pre School (Navenby)

Partnership with Parents Policy

The pre-school recognises the vital role that parents play in the education of their children. The pre-school aims to support parents in this role by welcoming their involvement and by keeping them fully informed.

The pre-school will ensure that parents are given information on a regular basis about their child's progress. They will have an opportunity to discuss any issues with staff through the key worker system.

Parents will have access to all written records on their own children.

Parents will be encouraged to have an active role in the management of the pre-school. The pre-school welcomes the contributions offered by parents whatever form they may take.

Meetings will be held at times and places that are convenient for as many parents as possible.

The pre-school will make known to all parents the systems for registering suggestions, queries and complaints.
